Greetings from Nursery School

Main Library

Happy New Year!
by Bea Pfaff

What a beautiful,
white holiday for
two weeks. I hope
that you all enjoyed
all of the snow we
got. We want to
welcome our new
student Tom Bergman.

The 1996 Could be the one factor

Mealka's Class

Welcome back, everyone... The snow has added an extra vacation for Hope you have a safe trip inrough it.

The students like the snow, but it is too cold outside. We made snow pictures. We used shaving cream on a picture, then the table, drew transferred it to construction paper. This activity is so fun. They begged for more. Trans and Lent than and no the real - We kesp three now examples is.

and Karen's Class

It was great to see all of the students return to school from a long winter vacation. This past week, the class theme was "Day and Night" Students learned to identify the four seasons pictures. Also students understand that the sun always shines during daytime while the moon is out during the night time.

One of most fun activities was that students poured water into latex medical gloves, then put food coloring to the water.

We hung them up on a tree outside.

Indiana School for the Deal 1200 E 12nd St inclanapolic, in appus

The water became frozen next day.

We removed the gloves from the tree. When we brought them into the room, we were perplexed that the frozen water had already started to melt on the plate.

For the next 2 weeks we will learn about "winter"...

From Linda Canty, Librarian

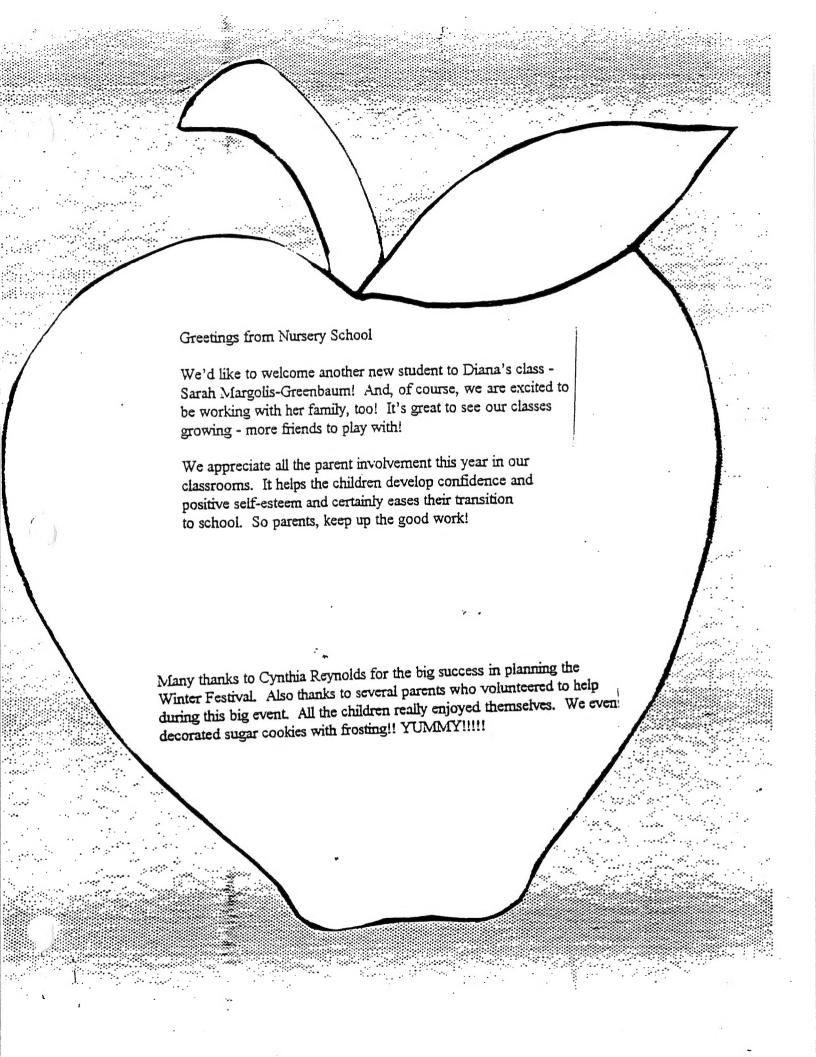

I would like to thank everyone for coming to the Scholastic Book Fair held in the Alumni Hall library last November as well as the volunteers who assisted me. We made a neat profit of \$649.93 in cash and approximately \$200.00 in free books. The profit will be used to purchase materials for the ISD libraries.

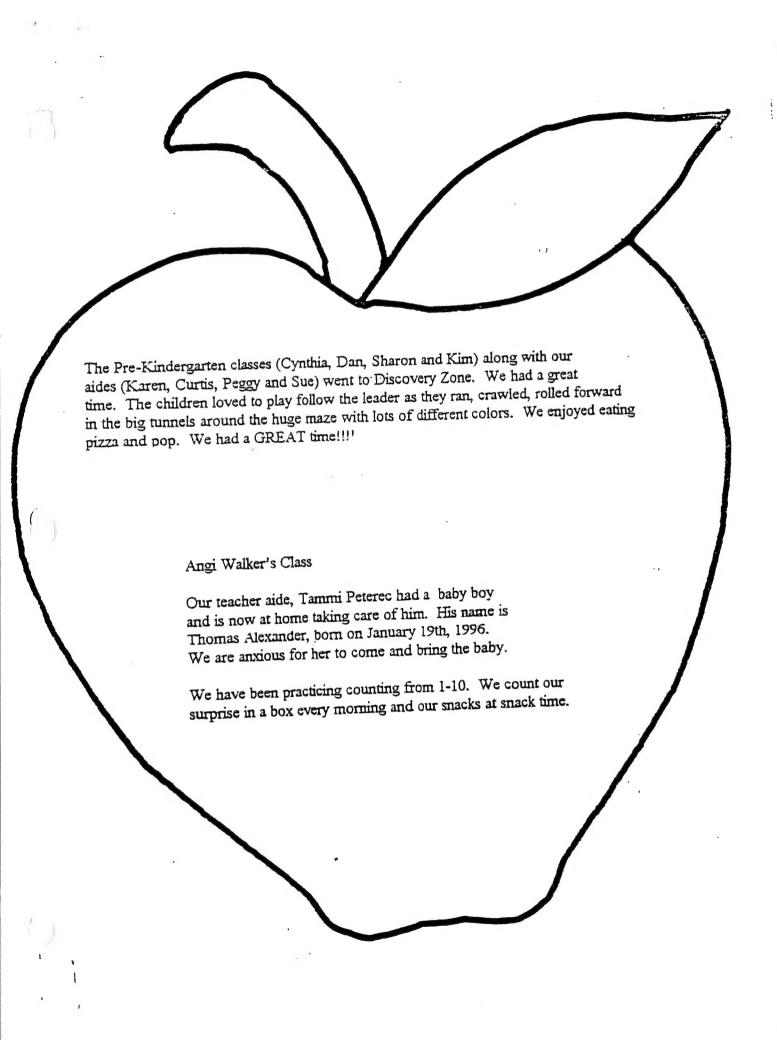

The volunteers who assisted me are: Linda Ross, Jerry Cooper, Lois Czosnowski, Millie Baker, Ball State participants, LRC staff and Rick Ogan, PTCO treasurer, and his wife who picked up the cash to deposit in the bank almost daily during the fair.

The 2 for 1 Book Fair sponsored by LRC will be held at Caskey Gymduring PTCO Day on May 5.. More details will be announced later.

Jendy.

In the best interest and safety of the children, parents, and staff, please park your vehicle in the parking lot on the south side of the preschool building. Please walk with your child(ren) to the gym. We feel it would be best and safer for all of us.

Vol 11

Greetings from Nursery School

February has been fantastic! We really enjoyed all the Valentine's Day Festivities. Especially the home made goodies brought in by our parents. Yummy! We can't express our appreciation enough for all the "little" things you parents do for all of Nursery School. It's great having you join us in the classroom - Playing, story-telling, lending a helping hand or even hemming our nap blankets! We're glad you are a part of our team. Diana, April and Patricia

From the P.E. Teacher (Mike Paulone)

We are "on the move" in our P.E. Classes! The Preschoolers are learning basic movement skills to ensure later cognitive success. They are developing balance, strength, and coordination on daily basis through a variety of fun activities and games. Gross motor skills are focused on in the gym – We even expand these skills to field trips to the Discovery Zone!

Nursery School will be having a great time there on March 12. Hope you can join us!!

Main Library

And also the Valentine's Day Party was held in the P.E.

gym along with many parents. All of us students, parents and staff showed warm hearted appreciation for each other that day.

And we did paint the gym red! We really appreciated those parents who helped volunteer with various activities.

AHHHH, and the Physical Education Department would like to thank those people for their generous donation for our student's use in class.

> The parents of Derek Landis (Tic Tac Toe game) The parents of Tom and Amanda Bergman(2 Basketballs)

From Beatrice Pfaff Class

Hello Parents and Friends!

We had a busy month this February!

Lots of field trips and lot of fun!!! Our teacher, Beatrice Pfaff, took our class on a field trip to Noble Roman's Pizza on Feb 7th. We fixed pizzas ourselves. We saw how pizza dough was made and watched pizza cooking through

the oven windows. We also watched men making pizzas, throwing pizza crust up in the air. We enjoyed watching through the window. The manager, Robin was very nice to us. On Feb13th, we went to Discovery Zone and had good time. We climbed through the tubes, slid down, played with the balls in the box, ate pizza for our lunch.

On Feb 22nd, we went to police station and learned about jail, fingerprint, etc. We met a signing

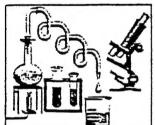

policeman. His name is Mark Conway. We enjoyed our time at the station of downtown.

We also went to Chuck-E-Cheese and ate some pizzas. We also played there. We had fun!!

We got a fish aquarium in our classroom. We enjoy looking at the fish everyday! Please come and visit our classroom and see our fish.

Next week we will go to Fire Station, we will have fun again!!!

Eliza Benson, Tom Bergman, Jazmine

Foreman and Bradley Huser.

From Pre-Kindergarten classes

Last Monday, we classes went to the Children Museum. We really enjoyed learning and interacting with many different things. Especially, we enjoyed the most touching a LIVE snake! We visited a "real" cave at the Science Center. We ended up staying there for THREE HOURS, Whow! It was

worth it for all the kids who had so much fun.

Angis' 3 & 4 years old would like to welcome a new student. His name is Kayree Thomas age 3 1/2 . He is very

lovable and watches out for the other students. He loves being here at I.S.D. Angi Walker

From Preschool Staff

Last Friday, February 16, we went to the Knights of Columbus in the city of Indianapolis for a retreat. We were doing good and tried to reorganize our priorities.

We focused on some areas that need to be done such as Deaf resources, materials, computers, and so on. We set up five different committees, They are Food, Deaf resource/materials, Money finder, Organization, and Supervising Teacher committees The Chairperson for each Committee was selected. Food - April Bippus, Deaf resource/materials - Jonas Fencile, Money finder - Wendy Wiatrowski-Mansfield, Organization - Bea Pfaff, and Supervising Teacher - Nancy Bonura.

You Parents, friends, relatives are more than welcome to join these committees. Please feel free to ask one of chairpersons at this 920 -6256 Relay Service 1-300-743-3333.

Alumni Hall Library
Indiana School for the Deaf
1200 E 42nd St

From Cynthia Reynolds

t. Patrick's Parade is on Friday, March 5th - Please join our Preschool students for the float ride. Parents are welcome, too. The preschool students will ride on the float wagon and they will blow the green-dyed bubbles. I.S.D staff/teacher will ride along. Please encourage them to wear anything green(like green sweatpants or sweat shirts)

Lets hope the weather will be warm for us:)

* Be sure your child has written permission before March 11th.

From Sharon Mealka's classroom
The Preschool students visited the
Police Department downtown. The
tudents saw a police car, policemen
Ind Policewomen, and many offices.

Each students had a fingerprint made. They rode an elevator to an office where

they received a stick on police badge. Pre-Kindergarten Last week the students visited the Casleton Fire There we learned to Department. "stop! Drop! and Roll!" if we are ever on fire. A Fireman put on his boots, pants, jacket, hat, and mask with air tank. The students were able to touch the outfit and try on some of the gear. They let us climb into a fire truck. We saw the lights flashing too. Шe watched a fireman slide down the fire ,ole and took a tour of the fire station. At the end of the tour we got fireman badges and saw a friendly

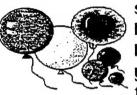

robot that looked like fire hydrant.
We next visited Uncle Bill's pet store.
We saw dogs, birds, fish, and other animals. We got to pet some of the animals.

Our lunch was at Chuck E. Cheese's . Everyone was able to ride several rides before and after our pizza lunch.

Four Parents met with staff from preschool, High School and a former staff member in February to discuss CHARGE Association. CHARGE is multiple health related problems with require a and varietu of doctors possible suraeries. The parents have decided to form a support group for each They will be meeting again in other. more of their March to discuss concerns. Everyone shared, Learn and helped each other. What a great group of parents! Thanks for helping each other through the difficult times.

From Mike Paulone

Physical Education is not limited to development of gross motor skills and

sportsmanship. We've been learning about the law of physics, too Did you notice all the floating spheres in the

gym?
yes, balloon and bubbles were
everywhere, thanks to an electric fan
and lots of energy from the kids!
Balloons and bubbles were lifted,
thrown, blown, batted, kicked and
chased everywhere. Some balloon
even popped. What a fun!
With all the child-oriented
experimentation, we discovered one
sphere that wouldn't float- the

basketball! Smile- Now we're learning about gravity in P.E. Class.

From Preschool Staff

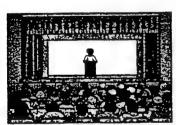

IF YOU'RE HAPPY WITH PRESCHOOL, TELL EVERYBODY!!!!

IF NOT, PLEASE TELL US!

We love to know what we're doing right! After all, it is our goal to be the best Preschool around! Your input will help us grow and improve daily. Please feel free to discuss any concerns or suggestions with your child's teacher.

f communication is a barrier, just let us know. we will be happy to get an interpreter or communication facilitator to be sure we are on the right track!

Being "a team" means staff, parents, and students working with each other. We can't do it alone! Together, we'll achieve more!!

From Family Resource Center by Diane Hazel Jones

From Supervising Teacher Pamela Haring

We will participate in the ST. Patrick's Day Parade on Friday, 15. I am sure you have already received information

about that.
Please feel free
to come and
wave at us
down there.

Lastly but not least, there will be an Open House for families on Sunday, March 17 from six p.m. to eight p.m.

Your child has been working hard this year and will be proud to show you his/her work/display. Please come and

enjoy seeing your child's work and accomplishment. As always, thank you very much for your continued support

FROM
SUPERVISING
TEACHER
LOUISE FITZPATRICK

One of the ways we could like to see positive growth in your

child is to remove violence in his or her life such as:

> TV Violence Toy Guns Cartoon Violence

The Preschool staff and I are encouraging you as parents/guardians to talk to your child about how violence can affect others. Please try to reduce the exposure of violence in your home environment and we will try to do not encourage a child to buy toy guns or violent videotapes to school. Along with this issues, we have noticed some students giving put downs to others. Also we want to eliminate this kind of behavior.

Thank you for your cooperation. Have a great Spring Break with your child. Stop by Preschool and visit!

program. The "Double Points" program which ran from April 1-28 seemed to help us a lot.

Following is a summary of ISD's points since the beginning of the year:

| Date | Point Total | # of Card Holders |
|-------------|---------------------------------------|-------------------|
| | 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 | \$ 344743. abilio |
| January 17 | 39113 | 114 |
| February 14 | 49584 | 118 |
| March 12 | | 131 |
| April 15 | 83622 | 140 |

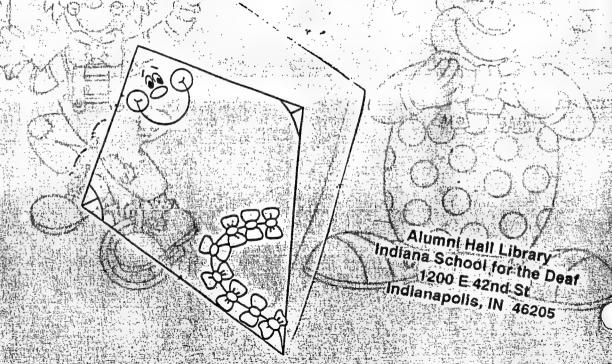

As you can see, we have been making progress, although it has been slow going. One of our problems seems to be that we haven't added many card holders who are donating their points to ISD. However, we have a solution for that! Marsh is having a <u>Spring Clean-up</u> program. In this program, if we can find <u>twenty</u> people who already have a March "Fresh Idea" card, but who haven't yet designated that their points go to ISD, we will be awarded <u>10.000</u> bonus points.

If you can convince your friends, neighbors, business associates, relatives or ANYBODY to give their points to ISD, please contact Jim Frenchik in the Learning Resource Center (317/924-8414) so that he can add their names to our list. The information that we need is the customer's name, their Fresh Idea card number (a 12-digit number on the back of the card) and their home phone number. Be assured that while processing of the Spring Clean-Up form will take some time, we will receive points starting with the date on our sign-up form.

Anyone who does not already have a Fresh Idea card can be included, too, but they first have to get a card from their local Marsh store, then call Jim with the information.

TEXAST STATES

We need these 20 names by June 1, 1996 in order to get the bonus, so please get busy!

Stop by and visit The Stellar Cellar and see what a good job the students have done. The Stellar Cellar is open Mon.-Fri. 10:00 - 11:30 and 12:30 - 2:30.

The Stellar Cellar relies on donations. They are gladly accept any unwanted items that are in good condition.

Separation Anxiety at Preschool

the transfer of the content of the second of the content of the co

"Every morning we have the same problem: Our son has to be dragged to his preschool crying. He seems happy when we pick him up, and sometimes even doesn't want to leave. But we're worned that maybe he doesn't like school."

Chances are your toddler's resistance isn't a sign that he doesn't like school, but rather that the daily transition from home to school is difficult. Even seemingly insignificant transitions (from playing to eating dinner, for instance) can be tough on toddlers; bigger transitions (such as going from home to school) can be even more so.

As long as his arrival protests are short-lived, and your todler seems to enjoy the time he spends at school, there's nothing to worry about. Typically, there's gradual decrease in clinginess (and crying) as a child becomes acclimated to his new routine and the school setting. This process takes longer for some children than for others, and some continue having troublesome home-school transitions for a year or two into their school careers. Here how you can help:

- *Make sure he has enough time before school to wake up and to eat a good breakfast.
- *Let him bring a little piece of home along. A favorite blanket, a special stuffed animal, or a toy to hold onto.
- *Let him bring a little piece of you along. For example, a handkerchief, a wallet with old credit cards in it, a hat, a photo, a picture you drew, even a "kiss" of lipstick on his hand.
- *Stay upbeat Anticological Control of the Control o
- *Put a happy face. 1 the control of the control of
- *Be supportive, not critical.
- *Arrive early so your toddler can get involved and settled before being overwhelmed by other kids, and so the teacher will be more available to help with his transition.

- *Pick him up on time.

Occasionally, there's and underlying reason when a child doesn't want to go to school. It may be illness (check for signs, such as fatigue, irritability, pain), change or undue stress (a new baby, for example), or a problem at school. If you think one of these problems may be operative, deal with it as soon as possible.

The Indiana School for the Deaf will have their annual PTCO DAY on May 5, 1996.

The Parent-Teacher-Counselor Organization (PTCO) coordinates this fund-raising event to help support the educational needs of the Deaf students. One of the main attractions at the PTCO Day is a rafle of donated items by the local businesses. In the past, the prizes included an automobile, telecommunications devices for the Deaf (TTY), 20"TV and sizeable cash awards. For the next event, we have added new items such as a built-in decoder/TV/VCR Combo, a pager and some other nice prizes.

The following events and activites have been added to the PTCO Day festival on May 5th:

-Walk-a-Thon sponsored by the ISD Football Team 9:00-10:30am

Pledge: \$1.00 per mile walked-around the Caskey Building-for more information, contact Mike Paulone at Pre-School 920-6256 or ext. 256

-Motorcycle and horse teams from Indianapolis Police Dept giving performances outside of Caskey Gym

-Silent Auction-more than 10 items will be auctioned off. Cash, checks and Visa/Mastercard will be accepted. Anyone who wishes to donate new useful items like quilt, TTY, wall picture, large umbrella, TV set, etc, please contact Dan Stutler or Parn Lewis 920-6419 or ext. 419 before May 3rd.

-Photos will be taken from a child with police on a horse, motorcycle or clowns for \$1.00 each

Greetings from Nursery School

ion or black listing back of paroun 1 140 cm.

May is here with only three more weeks of school. Of course, we'll be busy until the very last day! Events this month will include a trip to the Indianapolis Zoo on May 16th. All nursery schoolers and parents are encouraged to attend. After our zoo adventure, we'll be stopping to eat at McDonalds for lunch. Yummy! That's our favorite subject in Nursery School - Smile!

Our preschoolers were part of American history on Wednesday, May 1st! They joined all ISD staff and students in A.C.E.S. (All Children Exercise Simultaneously) Day. This was a nationally sponsored event to encourage all to be more physcially fit by exercising. It was great to see Preschool actively participate in this fantastic event! Keep this sprirt growing and continue playing and exercising with your child at home. Celebrate National Physcial Fitness & Sport month the right way- do it now!

Dear Parents:

I am happy to announce that the LRC (Learning Resource Center) will sponsor the second annual Scholastic 2 for 1 Book Fair during PTCO Day on May 5th. It will be held at Caskey Gym from 10:00 to 4:00. Scholastic Books is the company that has sponsored the ISD Book Fair for several years. ISD students and staff/faculty have always been very pleased with the quality of the selections available.

You and your child will have the opportunity to browse and make purchases at the Book Fair during PTCO Day. For every book purchased, you and your child will get a second book free. There will be no cash profit involved but 100% book points will be earned and be used to purchase books and materials from the catalog for ISD libraries. Incidentally, the books purchased for your child will be a wonderful way for summer reading at home this summer. You are welcome to visit and/or assist with the Book Fair. Please call ahead if you can help.

Cash and checks will be accepted for payment. Checks should be made payable to ISD-PTCO (Parent, Teacher, Counselor Organization). PLEASE DO NOT INCLUDE TAX. C.O.D. orders will not be accepted.

We are grateful for your continued cooperation and support. The LRC staff would like to extend this service to all parents and friends during PTCD Day so that you can have the chance to browse and make purchases for your child.

We also want to show our appreciation by providing this kind of book fair where you get a second book free for every book purchased. Be sure to look for the LBC Book Fair while you are on campus for PTCO Day on May 5th and be prepared to make purchases. The LBC staff will be happy to meet you and assist you in any way we can.

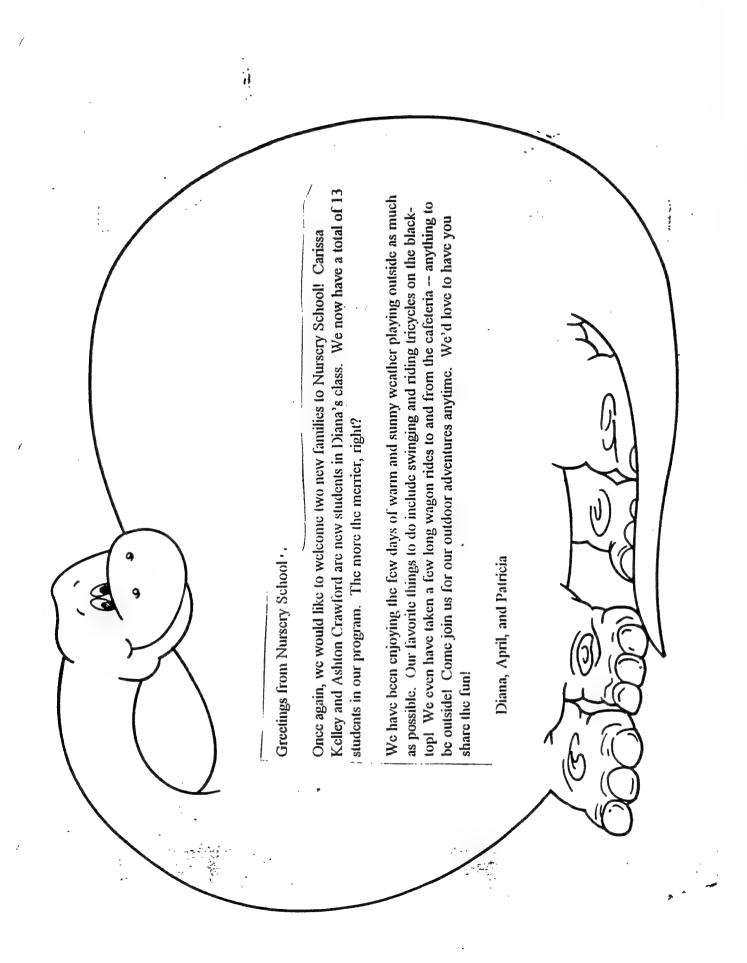

Again, thank you very much for your interest in your child's reading.

Sincerely,

Lies Conty

A REMINDER

Preschool teachers will make their monthly home visits with you all on April 26, Friday. Remember there will be no school that day.

Please welcome Angi Walker, new Preschool teacher, to Preschool Department. She works with 3-4 year old children. She is from Auburn, Indiana. She is a graduate of Ball State University with Deaf Education and Elementary Education. WELCOME!!!!

April Field Trips

April 23-3-4 year old classes will visit the Dentist's Office

April 25-Pre-Kindergarten classes will also get to visit the Dentist's Office.

The any changes in transportation or pavent pick up, votify your child's teacher to ensure everything 00 to go smoothed of thanks! Oo

CODA sets a day to honor parents

BOSTON — Children of Deaf Adults International, Inc., (CODA) has announced the first annual Mother, Father Deaf Day to take place on Sunday, April 28.

The day is intended to provide an opportunity for all children of deaf adults to acknowledge their parents' contribution to their lives and to celebrate their unique experience.

CODA President, Elliott Aheroni, in a letter to deaf organizations, states, "The membership decided to establish a special day to recognize our parents and the gifts of culture and language they gave to us."

CODA encourages its members and others whose parents are deaf to ob-

serve the day in a number of ways. People are encouraged to visit or call their parents to share thoughts and feelings about growing up in a deaf family in the hearing world.

If parents are no longer living, people can recognize the day by searching out an elderly deaf person who resides alone or in a nursing home and spending time with that person.

Social service agencies that serve the deaf always appreciate gifts of time or money, which can be donated in memory of deaf parents.

CODA can be reached at P.O. Box 30715, Santa Barbara, CA 93130-0715, or call Trudy Schafer-Jeffers at (617) 789-3862 V/TTY.

Separation Anxiety at Preschool

"Every morning we have the same problem: Our son has to be dragged to his preschool crying: He seems happy when we pick him up, and sometimes even doesn't want to leave. But we're worned that maybe he doesn't like school."

Chances are your toddler's resistance isn't a sign that he doesn't like school, but rather that the daily transition from home to school is difficult. Even seemingly insignificant transitions (from playing to eating dinner, for instance) can be tough on toddlers; bigger transitions (such as going from home to school) can be even more so.

As long as his arrival protests are short-lived, and your todler seems to enjoy the time he spends at school, there's nothing to worry about. Typically, there's gradual decrease in clinginess (and crying) as a child becomes acclimated to his new routine and the school setting. This process takes longer for some children than for others, and some continue having troublesome home-school transitions for a year or two into their school careers. Here how you can help:

- *Make sure he has enough time before school to wake up and to eat a good breakfast.
- *Let him bring a little piece of home along. A favorite blanket, a special stuffed animal, or a toy to hold onto.
- *Let him bring a little piece of you along. For example, a handkerchief, a wallet with old credit cards in it, a hat, a photo, a picture you drew, even a "kiss" of lipstick on his hand.
- *Put a happy face.
- *Be supportive, not critical.
- *Arrive early so your toddler can get involved and settled before being overwhelmed by other kids, and so the teacher will be more available to help with his transition.
- *Linger in his classroom.
- *Make your farewell short and sweet.

- was a first Land with the same
- *Pick him up on time.

Occasionally, there's and underlying reason when a child doesn't want to go to school. It may be illness (check for signs, such as fatigue, imitability, pain), change or undue stress (a new baby, for example), or a problem at school. If you think one of these problems may be operative, deal with it as soon as possible.

No. of the life in

As you can see, we have been making progress, although it has been slow going. One of our problems seems to be that we haven't added many card holders who are donating their points to ISD. However, we have a solution for that! Marsh is having a Spring Clean-up program. In this program, if we can find twenty people who already have a March "Fresh Idea" card, but who haven't yet designated that their points go to ISD, we will be awarded 10.000 bonus points.

If you can convince your friends, neighbors, business associates, relatives or ANYBODY to give their points to ISD, please contact Jim Frenchik in the Learning Resource Center. (317/924-8414) so that he can add their names to our list. The information that we need is the customer's name, their Fresh Idea card number (a 12-digit number on the back of the card) and their home phone number. Be assured that while processing of the Spring Clean-Up form will take some time, we will receive points starting with the date on our sign-up form.

Anyone who does not already have a Fresh Idea card can be included, too, but they first have to get a card from their local Marsh store, then call Jim with the information.

We need these 20 names by June 1, 1996 in order to get the bonus, so please get busy!
